MEMORANDUM FOR: Inspector General

Jack:

You have seen this package before (although the top-most memo from John Clarke was prepared since you reviewed it). Red has not seen Clarke's memo either.

A few weeks back Red asked me to look over the package and advise him as to what and when we should do about all this. In discussions since that time I have suggested that we await DD/P's reply to your DO Division survey and see where that takes us.

Suggest you hang on to this package until the reply is in. Then we can put our heads together and figure out what next.
